**“Mr. P.S. Gude, Joint Director of Accounts (Second from Left),
Ms. Archana Nagvekar, SSA & Mr. R. Thangaraj, SSA”**

E-governance awards

Dept of Accounts wins e-governance award

NT NETWORK

PANAJI: Directorate of Accounts (DOA), Panaji has won an award in the department category at the prestigious CSI-NIHILENT 2008-09 e-Governance awards, which were presented at the recently concluded Computer Society of India conference held in Pune. These awards are given to recognise e-Government initiatives in India.

Directorate of Accounts, which is one of the major departments of the state government, has around 20 sections in the head office at North Goa, and 5 sections in the branch office at South Goa. There are also two district treasuries, and 9 sub-treasuries coming under the control of the DOA.

DOA provides Government to Government services like

Integrated Bill Processing System, MICR Cheques, Compilation of Accounts, Budget Processing, Treasury Accounting System, Online Financial Information System etc. It also provides Government to Employee services, General Provident Fund, Contribution Pension, Advances Management, Pension Accounting etc.

All the applications in

DOA are web-based and there is data integration with other concerned departments as well. Directorate of Accounts is now in a position to give SMART (Simple, Moral, Accountable, Responsive and Transparent) G2G and G2E services to Goa. DOA will soon launch its SMS-based G2G and G2E services.

National Informatics Centre, Goa, has developed the software implemented in DOA.
