E-governance in South

Goa: The south Goa district administration took one more step towards e-governance on Saturday after all its five sub-divisional offices were networked with the citizen's facilitation centre (CFC) located at the district headquarters, Margao. PWD minister Churchill Alemao commissioned the facility on the occasion of Liberation Day. "E-governance will ensure transparency in dealings and effect speedy disposal of applications. The taluka suite will enable applicants to know the status of their applications through the touch screen kiosks at the taluka offices itself" south Goa district magistrate G P Naik said.
