

**Capacity Building Programme on
National Land Records Modernization Programme (NLRMP)
Panaji, Goa (09-07-09 to 11-07-2009)**

The NLRMP capacity building training programme was conducted at Goa. It was held at the conference hall of Inspectorate of Factories and Boilers at Panaji. Senior officials from Revenue, Settlement and Land Records and also the Registration department actively participated in it and gave their valuable inputs in respect of NLRMP. The practicals on ETS/GPS was also organized on the field at Peddem ground in Mapusa. Around 20 senior officials have participated in the training programme.

Goa is at presently planning the integration of Property registration with maintenance of Record of Rights. The officers from Registration & Notary services & Dy Collectors , Tehsildars (Mamlatdars) have extended their valuable feedback. Goa state is also going for Crop Survey after about 2 decades, so the discussion on standardization of codes had sensitized the officers about the necessity of adopting standard codes for various attributes of ROR.
