

Accounts Online

Accounts Online has been developed by NIC Goa for the Directorate of Accounts (DOA), Government of Goa. The DOA is the budget controlling Authority for the Government of Goa. This web-based project, has been implemented in the DOA to meet all their functional requirements. This project got the CSI-NIHILENT Award of Appreciation in the department category in 2009

The data is from the Central Server of Directorate of Accounts (North and South Branch)

Some of the systems implemented are as follows:

- Integrated Bill Processing System
- MICR Cheques
- Compilation of Accounts
- Budget Processing
- Treasury Accounting System
- General Provident [FUND](#) System
- Contribution Pension System

- Advances Management System
- Loans Management System
- Works Audit System
- Pension Accounting System
- Online [FINANCIAL](#) Information System
- e-DDO (Online [FUND](#) Allotment System for the DDO)
- Salary of gazetted officers by ECS mode of payment.
- SMS services (intimation of salary credit, GPF balance)

The DOA has data sharing facility with the [FINANCE](#) Department and the AG, Goa office. The above systems are implemented at DOA (North and South Goa), two District Treasuries and 9 Sub-Treasuries.

Bills are cleared on time. ECS payment has resulted in faster depositing of salaries. Monthly Compilation account closing time is reduced from 3 months to 25 days.
